RE: Severe Wind Storm

The Council and Senior Staff of Papineau-Cameron Township would like to thank the Papineau-Cameron Road Department, Fire Department and residents of the community for all their hard work in working through the night and day cutting and clearing trees on the municipal road network and property driveway access routes after the severe wind storm on Saturday June 21, 2025 that knocked down over 800 hundred trees, and created road damages throughout the Papineau-Cameron Township. We are so fortunate to have great staff and volunteers at the Township, and supportive residents in our community that work together to keep our community safe in a time of such a terrible natural weather disaster.

We would also like to thank the Ontario Provincial Police, the Mattawa Hospital and North Bay Hospital, the Ambulance Services, Bell Canada, Hydro One, the Town of Mattawa, the Municipality of Calvin, the Township of Bonfield, the Municipality of East Ferris, the City of North Bay, the Municipality of West Nipissing, Red Cross Canada, and any other organization or individuals that we may of missed, for all your help in assisting the municipalities that were affected by the severe wind storm.

Sincerely,

Mayor Robert Corriveau

Papineau-Cameron Township
